Boy Attacked By Infantile Paralysis Returns

Special Correspondence of The Press

REDWOOD VALLEY, Oct. 23.—Coming as a pleasant surprise to their many friends is the announcement of the marriage October 18 of Miss Florence Tucker and Walter H. Nelson, which took place in Ukiah at the parsonage of the Methodist church with Rev. Warren A. Bonner officiating. After the ceremony a wedding supper was served at the home of the groom's parents in Redwood Valley. The center of attraction at the wedding feast was a large wedding cake with a miniature bride and groom placed on top.

To Live In Valley.

Mrs. Nelson is a graduate of the Fortuna high school with the class of '33 and later attended Humboldt State Teachers' College where she took an active part in all school affairs and was particularly active in athletics. The man of her choice attended Ukiah high school, later being connected with the CCC camp at Prairie Creek where he won recognition as an able and efficient leader. Afterwards he accepted a position as clerk in the F. A. Howland store in Redwood Valley. The couple will reside in Redwood Valley, where the groom has prepared a home for his bride. Guests bidden to share the happy occasion included Mr. and Mrs. Ernest Nelson and children, Mr. and Mrs. H. Gunderson, Mr. and Mrs. Nels Nelson, George, Phyllis and Billie Jordan and Mr. and Mrs. Walter Nelson. Many beautiful and useful gifts were received by the young couple.

George, who has been confined to the College Hospital the past four weeks with infantile paralyses, was released from the hospital Friday. He is getting along nicely, but will not continue his studies at the university this year but will enter college with the opening semester of 1935. Carey returned to Berkeley Sunday.

LOCAL LAD RAN DOWN

Of the tragedy The Santa Rosa Press-Democrat says: A rum-maddened youth, ignoring the screaming siren of an officer's automobile, raced into disaster last night when the heavy wine truck he was piloting crashed head-on into a car containing two Cloverdale women on the Redwood highway, a mile north of Geyserville.

What Boy Says.

While physicians worked desperately to save the life of Eleanor Jackson, 22, Cloverdale high school teacher, critically injured when her machine was struck by the heavy vehicle, Grover C. Dorr, 18, sat in the Sonoma county jail and sobbed "Why did they let me drive? They knew I was drunk."

Two Join Chase.

The "they" Grover Dorr referred to were companions on a drinking party that preceded his wild ride, in which he was pursued, first by the alternate driver, who attempted to overtake him on a motorcycle, and Police Chief James Ledford, of Cloverdale.

Had Close Call.

Grover Dorr nearly ran down Charles Schwarm, 22, Ukiah, the relief driver, when the latter, left on the side of the road, overtook the careening truck in a motorcycle that he had commandeered north of Cloverdale.

Much Wine Lost.

Wine casks, thrown onto the highway from the trailer of the truck as the big machine swayed from one side of the road to the other, almost resulted in a crack-up for Officer Ledford.

Overtook The Truck.

Chief Ledford, starting the chase at Cloverdale when he received the report a drunken driver was periling Redwood highway autoists, quickly caught up with the speeding machine.

Barrels Litter Road.

Ignoring the siren, Grover Dorr increased his speed and, because of the barrels that fell every few minutes, breaking and sending their contents sluicing over the road, Officer Ledford was unable to pass the truck. The race lasted for approximately seven miles when Grover Dorr's south-bound vehicle careened over to the left side of the road and smashed into a small coupe, driven by Miss Jackson, on her way home to Cloverdale after visiting friends in Santa Rosa.

Truck Caught Fire.

Miss Jackson and her mother, Mrs. Charles Jackson, wife of a retired Cloverdale rancher, and member of a pioneer northern Sonoma county family, were thrown clear of the machine, and the truck burst into flames. Miss Jackson suffered a fracture of the pelvis, several broken ribs and possible internal injuries. At the Healdsburg General Hospital, where she was taken, physicians expressed fears one lung might be punctured.

Driver Was Rescued.

Her mother escaped with cuts and bruises. Impact of the crash ignited the truck and the big machine and trailer were destroyed by fire. Grover Dorr being pulled from the wreckage by Officer Ledford.

Struck By Billy.

The women were taken to the hospital and Officer Ledford placed Mr. Dorr in his car and started for the Healdsburg police station. Still crazed from the liquor he had consumed, Grover Dorr attempted to seize the wheel of the car from Officer Ledford. "I hit him with my billy club, once, and then he was quiet," Officer Ledford declared. After being booked at the county jail on a charge of drunk driving by Captain E. L. Shryver and Officers Fred Eberhardt and Jack Lewis, of the state highway patrol, Grover Dorr was taken to the county hospital for treatment. In addition to a laceration of the head caused by Officer Ledford's club, Grover Dorr had a laceration of the leg and bruises.

Girl's Death Feared.

Mrs. Jackson was able to return to her home from the hospital later in the night, while hospital attendants said the daughter had but a "50-50" chance for recovery. In the event of the girl's death, Grover Dorr would face possible charges of manslaughter, officers said.

Truck Owned In Ukiah.

The truck driven by Mr. Dorr is owned by Dan Cohen, of Ukiah, while the wine cargo was being transported for the California Grape Products Company.

Was Pronounced Drunk.

Mr. Dorr was examined by physicians in Healdsburg and pronounced drunk, before being brought to Sonoma jail. Damage caused by destruction of the truck, trailer and wine could not be learned last night.

SEASON'S RAINFALL

Saturday's rainfall was one inch. This brings the total for the season to 1.84, according to the report of Ed Hyden, who is the local weather observer.

GUILD MEETING

The regular meeting of the Episcopal Guild will be held Friday afternoon at the home of Mrs. R. Pauli, 129 Clara avenue.

ROMANCE NOT DEAD LOCALLY

Crowbar, The Bar Of Justice Resorted To Effectively

Crashing a crowbar over the features of Clara Gilbert, Upper Lake Indian woman, cost Ida Boone, another native daughter, a $5 fine and six months probation Tuesday when she pleaded guilty to the offense in the justice court at Upper Lake.

And Love Caused It.

Ida's defense of her action constituted, in reverse English, the unwritten law, although she was compelled to pay a fine. Ida alleged Clara had run off with her man, and lying in wait for their return, ambushed her and used a crowbar to emphasize her displeasure at the alleged tryst.

She Was Expert.

Clara was considerably shaken up and bruised from the effects of Ida's wielding of the bar, which it was stated, was done in a competent and efficient manner. Following the altercation, Clara swore out a warrant for the arrest of Ida, which was duly served by Deputy Constable Jesse Robinson. District Attorney Burt W. Busch ably handled the prosecution.

They Flitted Hither.

The romance of Clara and her man has a touch of interest in it for Mendocino readers for, sad to relate, it is whispered in Indian circles they carried on their tryst in this county.

Spy Rock Man Is Hurt In Accident

Frank Simmerly, of Spy Rock, went to Howard Memorial Hospital last week suffering numerous cuts and bruises and a broken finger, the result of an automobile accident near his home. Mr. Simmerly's car turned over and caught his hand in the door breaking a finger and tearing most of the skin from his hand. He is now recuperating at the home of Fay Dryden, Willits.

Careless Handling Of Gun Hurts Man

Jim Purdy, of Laytonville, was showing a friend how his rifle worked when the gun was accidentally discharged. The bullet took off the end of the first finger on his left hand. Mr. Purdy went to Howard Memorial Hospital, Willits, where Dr. Smalley dressed the digit and he was able to return home.

GO AFTER DUCKS

Mr. and Mrs Ferdinand Domergue were here last week on a visit to Mrs. Domergue's parents, Mr. and Mrs. K. N. Hengeveld, and on Saturday went to Colusa where they enjoyed a duck hunt on a preserve of friends of Mr. Domergue's.

HUNTING TRIP

Joseph and Fred Figone and Freddie Waugh returned, Saturday evening, from a successful and enjoyable week's hunting trip to Modoc county where they bagged two four-point muletail deer that weighed over 150 pounds each.

CLUB LUNCHEON

Miss Josephine G. Seamen, of La Jolla, president of the California Federation of Women's Clubs, and General Federation director from California, and other club officials were guests of honor at luncheon held in the Canton room of The Palace Hotel, Saturday noon. The tables, arranged in the form of an open rectangle, were bordered on the inner edge with lovely garlands of crimson Virginia creeper and California barberry. Centerpieces were lovely brown pottery jars filled with tritoma and zinnias in brilliant autumnal hues of red and gold.

Those introduced were: Miss Josephine G. Seamen, state president; Mrs. A. W. Stokes, district president; Mrs. W. H. Higgins, first vice-president of the district; Mrs. G. M. Biggar, president of the Mendocino County Federation; Mrs. Taylor A. Day, president of the Lake County Federation; Mrs. Valentine Enzenauer, president of the Sonoma County Federation; Miss Blanche Brown, president of the Anderson Valley Unity Club; Mrs. Burtt L. Elliott, president of the Mendocino Study Club; Mrs. R. O. Bayley, president of the Point Arena Civic Club; Mrs. C. A. Bernhard, president of the Saturday Afternoon Club; Mrs. W. L. Sales, of Lakeport, past president of San Francisco district, and Mrs. R. A. Cushman, of Talmage. There were in attendance nearly 75 women representing almost every section and federated club of Lake and Mendocino counties.

Miss Seaman, who is a member of the Business and Professional Women's Club of her home community, was presented a charming corsage of pink Ophelia rosebuds and maidenhair ferns by Past President Catherine Sloper on behalf of the Business and Professional Women's Club of Ukiah and another of golden Joanne Hill roses and maidenhair ferns by the Saturday Afternoon Club of Ukiah, both of which she wore with equal honor.

ENTERTAIN TEAM

Monday evening, the Saturday Afternoon Club entertained the girls' baseball team known as The Kangaroos, which they sponsored during the recent twilight baseball season, at a theatre party. They saw Shirley Temple in "Baby, Take a Bow." The party was chaperoned by the club president by whom they were later served refreshments.

CLUB FEDERATION

A meeting of the executive board of the Mendocino County Federation of Women's Clubs was held in the Rose room of The Palace Hotel, Saturday forenoon, with Mrs. G. M. Biggar, of Covelo, presiding. District officials in attendance were Mrs. Albert W. Stokes of San Francisco, president, and Mrs. Walter H. Higgins of Ukiah, first vice-president of the San Francisco District of California Federation of Women's Clubs; Mrs. Leroy Woodhead, county and district chairman of nature study; Mrs. Edith V. A. Murphey, county and district chairman of Indian Welfare; Miss Blanche Brown, president of the Anderson Valley Unity Club; Mrs. Burt L. Elliott, president of the Mendocino Study Club; Mrs. Sarah F. Ryder, representing Mrs. Laura Shattuck, president of the Kosmos Club; Mrs. C. A. Bernhard, president of the Saturday Afternoon Club; Mrs. R. O. Bayley, president of the Point Arena Civic Club; and county chairmen as follows: Mrs. W. D. L. Held, American citizenship; Mrs. I. C. Burke, child welfare; Mrs. Mark Eglin, war veterans, also secretary of the meeting, and Mrs. Olive E. Busch, history and landmarks.

The three main topics set forth by Mrs. Biggar for discussion were the Foundation fund, subscriptions to The Federated News, the study of legislative measures, methods of improving the Tehachapi Women's Prison. The subject of the Foundation Fund, which was pledged seven years ago, was explained by Mrs. Stokes and its objectives and advantages were so clearly projected the county executive board signified its willingness and intention to back the proposition of collecting the funds. The board also gave its consent to have the state convention held in the fall instead of in the spring as heretofore. Mrs. Woodhead reported on the nature study work being done by individual clubs. Mrs. Edith V. A. Murphey explained needs of her Indian charges in the service of whom she is sacrificing so much of her valuable time and energy.

It was decided the next county convention will be held at the high school building in Anderson Valley March 23 of next year with the Anderson Valley Unity Club acting as the hostess organization. Mrs. A. W. Stokes was presented a beautiful corsage of crimson Hadley rosebuds and maidenhair ferns.

CLUB WOMEN GATHERED HERE SATURDAY

Miss Josephine G. Seaman, of La Jolla, president of the California Federation of Women's Clubs, paid her official visit to the clubs of Lake and Mendocino counties at a joint meeting of these organizations held at the Saturday Afternoon Club house in Ukiah, Saturday afternoon. It was a golden day for clubdom in Ukiah as there had probably never before been gathered together in this city so many state, district, county and individual club officers and members. The spacious rooms were beautifully decorated in a charming color scheme of gleaming gold developed in the lavish use of great branches of pyracantha augustifola laden with a wealth of golden berries from the home gardens of Mrs. Rena B. Stout, and the brilliant blooms of tritoma, marigolds and zinnias, in the artistic arrangement of which the deft touch of Mrs. Bessie Jamison was easily recognizable. The lovely centerpiece for the luncheon table, which was spread with a lace cloth over gold was formed of a low basket filled to overflowing with luscious bright colored autumn fruit that not only made a most attractive appearance but also constituted an excellent exhibition of our horticultural and viticultural products.

The interesting and important meeting was opened by the flag pledge led by Mrs. Olive E. Busch. The business session was quickly concluded and the meeting turned over to the program chairman, Mrs. W. H. Higgins, who presented various officials: Miss Josephine G. Seaman, state president; Mrs. A. W. Stokes, district president; Mrs. G. M. Biggar, president of the Mendocino County Federation; Mrs. Taylor A. Day, president of Lake county Federation; Mrs. Valentine Enzenauer, president of Sonoma county; Mrs. W. H. Sales, past president of the San Francisco District; Mrs. J. H. Shores, president of the Kelseyville Woman's Club; Mrs. Betty Beach, president of the Women's Civic Club of Lakeport; Mrs. J. C. Shirley, president of the Women's Protective Club of Upper Lake; Mrs. Leroy Woodhead, county and district chairman of nature study; Mrs. Edith V. A. Murphey, county and district chairman of Indian welfare; Miss Blanche Brown, president of the Anderson Valley Unity Club; Mrs. Burt L. Elliott, president of Mendocino Study Club; Mrs. R. O. Bayley, president of the Point Arena Civic Club; Mrs. Olive E. Busch, president of the Business and Professional Women's Club, Ukiah, and Mrs. C. A. Bernhard, president of the Saturday Afternoon Club, the hostess organization.

A group of vocal solos entitled "A Birthday" and "When I'm With You" were sung by Mrs. R. R. Byrnes to piano accompaniment by Mrs. Katherine Harvey. Mrs. Higgins introduced Mrs. A. W. Stokes, district president, who in a few brief appreciative remarks presented Miss Josephine G. Seaman, state president, as the speaker of the afternoon. Miss Seaman said she thinks of the women's clubs of California as a great family organization and that she is glad to note as she travels up and down the state, an encouraging augmentation of family spirit among the clubs. The speaker urged an earnest effort be made to increase the junior membership and to add to the subscription list of the state paper, The Federation News in order that its message may reach more members and its space be worth more to advertisers. She complimented the clubs of the state on their initiative and success in raising funds for the purchase of the majestic Redwood grove which will stand for ages as significant of the women of this century. The speaker explained the uses to which the interest on the permanent $50,000 endowment fund will be devoted and the necessity of raising the amount to fulfill the pledge made seven years ago. Miss Seaman said the one subject occupying the minds of every thinking man and woman in the country today is that of crime. She deplored the necessary rigidity of rule and regimentation that saps the individual will in a penal institution like San Quentin crowded with 6,000 convicts. She spoke encouragingly and hopefully of the Women's Prison at Tehachapi, where a rehabilitation, vocational and educational program is possible for its inmates. She spoke favorably of the work of Warden Jackson, who has had 16 years experience in the care of a penal population.

Miss Seaman was presented by Mrs. G. M. Biggar on behalf of the county federation as a symbol of its good will, love and esteem, with the gift of a fine, feather ornamented Pomo Indian basket. Such a perfect specimen of native craftsmanship could not be obtained elsewhere for, according to Dr. J. W. Hudson, an eminent authority on the subject, the Pomo Indians of this county excelled all other peoples in the world in the art of basket weaving. Miss Seaman said she would keep the basket on her study table as a constant reminder of her pleasant trip to this section of the state. Mrs. Biggar also assured Miss Seaman the clubs of this county had subscribed 100 per cent to The Federation News, which she designated "the state president's mouthpiece and inspiration."

Mrs. Stokes, district president, was presented a lovely bouquet of golden chrysanthemums while Mrs. W. H. Higgins, her first vice president, was the recipient of a similar gift of orchid chrysanthemums. The beautiful bouquets were arranged by K. N. Hengeveld, local florist.

In honor of Mrs. Stokes, the San Francisco District Convention song was sung under the direction of Mrs. Mark Eglin, chairman of the Choral Section of the Saturday Afternoon Club, by a chorus composed of Mrs. R. R. Byrnes, Mrs. Elmer Purdy, Mrs. Andrew Wilson, Mrs. B. W. Wessel, Mrs. E. J. Reynolds, Mrs. P. W. Handy, Mrs. Wm. Briggs, Mrs. Rena Stout and Mrs. Vincent Giorno.

The program was concluded with two vocal numbers entitled "Roses Everywhere" and "My Ship," sung by the chorus with Mrs. Eglin directing.

Refreshments were served following the program by a committee of Saturday Afternoon Club members—Mrs. V. C. McClure, Mrs. Olive E. Busch, Mrs. Bessie Jamison, Mrs. E. W. James, Mrs. Jewyl Stipp and Mrs. E. S. Masters; assisted by a committee from the Kosmos Club composed of Mrs. Sarah F. Ryder, Mrs. Andrew Wilson and Miss Lizzie English.

Among out of town guests were Mrs. W. L. Sales, Mrs. Taylor Day, Mrs. Betty Beach, Mrs. Fruchtenicht, Mrs. Lea Blackmore, Mrs. R. E. Wambold and Mrs. E. L. Fraser, of Lakeport; Mrs. J. C. Shirley, Mrs. D. M. Griner, Mrs. Marian Smith, Mrs. Marie Sloper, Mrs. Robert Polk and Mrs. Boardman, of Upper Lake; Mrs. J. H. Shores, Mrs. Walter Brown and Mrs. S. L. GIVES SPECIMENS

Mrs. Edith V. A. Murphey, an enthusiastic student and lover of nature in this county, writes that Miss Louise McDonald, curator of the Ukiah High School Museum, who is never too busy to think of new ways to link our county schools together with friendly hands across the hills, has sent two complete collections of mounted specimens of the insect world, moths, butterflies, etc., to schools near Round Valley. One will go to the reservation school and the other has not yet been allotted. The specimens are carefully mounted in cases on pins with both the popular and scientific names appended. A spreader and a cyanide jar accompanied the cases to aid in preparation of specimens. Miss McDonald hopes the schools will regard this as an exchange and will be interested in sending her something for her museum in return such as an ox yoke, arrowheads, or anything of local or historical interest.

The dining room and table elaborately decorated in the Hallowe'en motif formed an interesting setting for the delicious birthday dinner which was served following the pleasant ride to the ranch.

The proportion of the State AD VALOREM tax which will be added to our county tax bills, yours and mine.

The proportion of our county tax bills, yours and mine, that the public utilities will be required to pay.

ARE YOU INTERESTED IN QUESTIONS?

Who is going to tell us, you and me, how much our proportion of this AD VALOREM tax will be?

Who is going to tell us, you and me, what proportion of the Mendocino County tax bill the public utilities shall pay?

ARE YOU INTERESTED IN ANSWERS?

The proportion of State AD VALOREM tax added to your tax bill will be determined by the assessor of your county and the State Board of Equalization and the assessors of the other counties in your State, working as a unit. Your county assessor must use his knowledge of assessment values and methods to protect county interests, yours and mine.

The amount the public utilities will turn over to Mendocino County as an asset to reduce our personal tax bill, yours and mine, will be determined by the State Board and your County Assessor. Your County Assessor must use his knowledge of the value of public utililtes property within your county. Just so far as his work and methods used are equal to the task, just so far will you and I as property owners be protected.

If you, as an individual, were to choose an advocate to protect your interests before such a Board, and you were to pay him for such work out of your own pocket, would you choose one who has already acquired the knowledge that qualified him for the job?

Why Doctors Favor a Liquid Laxative

A doctor will tell you that the careless use of strong laxatives may do more harm than good.

Harsh laxatives often drain the system, weaken the bowel muscles, and even affect the liver and kidneys.

Fortunately, the public is fast returning to laxatives in *liquid form*. The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you needn't take a "double dose" a day or two later.

Dr. Caldwell's Syrup Pepsin gently helps the average person's bowels while nature is restoring their regularity. Why not try it? Some pill or tablet may be more convenient to carry. But there is little "convenience" in any cathartic which is taken so frequently, you must carry it with you, wherever you go!

Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delightful action. Safe for expectant mothers, and children. At all druggists, ready for use, in big bottles.

So—Always Say "Bayer" When You Buy

These new low prices make it unnecessary now to accept unknown aspirin tablets to save money.

So—see that you get the real Bayer article now by never asking for it by the name "aspirin" alone, when you buy; but always say B-A-Y-E-R Aspirin, and see that you get it.

Remember, scientists rate it among the fastest known reliefs for headaches, and the pains of rheumatism, neuritis and neuralgia.

ALWAYS SAY "BAYER ASPIRIN" NOW WHEN YOU BUY

We Don't Go Bargain Hunting for Prescription Drugs

We do not buy cheaper grade drugs at a price . . . We do not sacrifice purity for profit . . . We do not buy drugs in large quantities with the danger of their losing strength on our shelves . . . Because we consider our reputation too important to compound any but THE PUREST, FRESHEST, BEST
